

KIT NO. 139729 (For Flange Nuts 137266, 178342)

WHEN USING THIS FLANGE NUT FOR REPLACEMENT ON TRACTOR MOWER DECK MANDRELS, FOLLOW THE INSTRUCTIONS BELOW. WHEN USING THIS FLANGE NUT FOR REPLACEMENT IN OTHER APPLICATIONS, DISREGARD THIS INSTRUCTION SHEET.

Instructions For Mower Deck Mandrel Application Only:

On some mower deck assemblies, the mandrel pulley is fastened on top with a flat washer and flange nut. If your mower is so equipped, discard the flat washer and old flange nut and install this replacement flange nut only as shown below.
